The *Journal of Intercultural Communication* editorial board recognizes the importance of peer reviewers in the publication process. This role affects the manuscript and the journal's credibility and reputation. We aim to publish all original and creative submissions on time.

Thus, identifying and selecting reviewers with expertise and interest in each manuscript's topic is essential to a timely and productive peer review process.

We would like to thank the following reviewers for their hard work, regardless of whether their papers are published. We apologize for any names missed accidentally.

These experts reviewed the journal in 2025.
